Vol 21/Issue 7

Trip Around Latin America

Our Parent Leadership Council (PLC) held their "Trip Around Latin America" last night at the Lake Como Elementary School cafeteria and the evening was an absolute success!

Each grade represented their country with displays, facts and food. The classroom performances included singing and dancing. In addition, The Venezuela Danza y Tambor Academy entertained the crowd with their talent.

Thank you to all of our staff and Passport parents for their hard work and incredible talent in helping to make the evening incredible!

Water Bottles

The students' PE classes are held outside. With the high temperatures we have been having, it is important for the students to drink plenty of fluids. It is recommended for all students bring a plastic water bottle to be used during PE.

In addition, OCPS has stated that in case of a "Heat Advisory" all outdoor activities will be moved indoors.

Student Birthdays

We welcome parents to celebrate their children's birthdays at school, however, these parties must take place at 2:00 PM. In addition, we ask that you **limit food items to cupcakes/cake and drinks**. The time slot is only 15-25 minutes and there is no time available for more elaborate celebrations. Thank you for your understanding.

Also, please note, we can NOT light candles on school grounds.

All payments for extended day fees are due by 10:00 AM every Friday for the following week. If you do not pay in advance, you will be required to make arrangements for someone to pick up your child at dismissal and there will be a \$15.00 late fee! Also, if your child is not picked up by 6:00 PM there is an additional charge of \$1.00/minute payable at pickup.
